The Government of His Highness the Maharaja are pleased to make, under Section 23 (1) (iv) of the Mysore Local Boards and Village Panchayets Regulation VI of 1918, the following rules:—

Rules to regulate the levy of tolls.

The levy of tolls upon carriages, carts and animals passing along roads and bridges vested in the District Board shall be governed—

(1) by the provisions, so far as they are applicable, of the Rules for the levy of tolls on public roads and bridges in Mysore, issued under the authority of the Government of India, with the Notification of the Chief Commissioner of Mysore, No. 274, dated the 4th November 1876, except Rule 5, (reproduced at foot*); and

(2) by the additional rules set forth below:—

* Rules for the levy of tolls on public roads and bridges in Mysore.

Whereas it is expedient to authorise the levy of tolls upon roads and bridges in Mysore, the following rules with that object are sanctioned by His Excellency the Viceroy and Governor-General in Council:—

1. The Chief Commissioner of Mysore may from time to time declare the roads on which and the places where tolls shall be taken and may abolish the collection of tolls on roads on which such tolls have been declared leviable: and may authorise the erection or removal of any toll-bar for the purpose of carrying out the provision of this section.

2. The Chief Commissioner of Mysore may cause such rate of tolls not exceeding those mentioned in the Schedule hereto annexed to be levied on any road or bridge in Mysore, which has been or shall hereafter be constructed at the expense of the Government of Mysore.

3. In case of non-payment of any such toll on demand, the officers appointed to collect the same may seize any of the carriages or animals on which it is chargeable, or any part of their burden of sufficient value to defray the toll.

4. If any toll remains undischarged for 24 hours after the property has been seized as stated in the preceding section, the said property shall, after 24 hours' notice exclusive of Sunday or any close holiday, be sold by public auction for discharge of toll and all expenses occasioned by such non-payment, seizure and sale, by order of the officer authorised to superintend the collection of the toll, who shall cause any balance that may remain to be returned on demand to the owner of the property. Provided that if at any time before the sale has actually begun tender is made of the amount of all expenses incurred and of double the toll payable, the said officer shall forthwith release the property seized.

5. No toll shall be paid for the passage of troops, or military stores or equipages or of police officers on duty, or of any person or property in their custody or of any property *bona-fide* belonging to Government as established by the production of a certificate from the head of the department to which it belongs. And it shall further be lawful for the Government of His Highness the Maharaja to grant and define other exemptions from payment of the tolls levied under the rules.

6. The collection of tolls may be placed under the management of persons appointed by the Chief Commissioner, or may be made by the officers of Government and all persons employed for this purpose shall be liable to the same responsibilities as they would be if employed in the collection of the land revenue.

The Chief Commissioner may also, under such conditions as he considers advisable authorise the sale by public auction of the right to collect tolls at all or any of the toll bars.

7. Any person, who is not duly appointed as a toll collector, who shall levy or demand any toll on any public road or bridge or who, when duly appointed as such shall demand more than the rates specified in the schedule shall be liable on conviction before a Magistrate, to a fine not exceeding Rs. 200 or to simple or rigorous imprisonment not exceeding six calendar months.

8. A table of the tolls authorised to be taken at any toll-gate or station under these rules with a statement of the penalties, for refusing to pay the same, legibly written in English and the vernacular of the locality, shall be put up in a conspicuous place near such gate or station.

It shall be the duty of the person in charge of such gate or station to keep such table in a proper and legible condition.

9. The net proceeds of the revenue from tolls shall be applied wholly to the construction, repair and maintenance of roads and bridges within the Mysore Province.

10. Any person who fraudulenty or forcibly passes any toll-bar without paying the proper toll, or who obstructs the toll gatherer in the discharge of his duties, shall be liable on conviction before a Magistrate, to simple or rigorous imprisonment for any term not exceeding three months or to a fine not exceeding Rs. 50.

11. The Chief Commissioner of Mysore is authorised to issue such further orders from time to time as he may deem necessary to regulate the levy of tolls in the Province provided that such orders are not repugnant to the provisions of these rules.
